Value of the Week – Caring

I am practising caring when I:

- let people know that what they say is important by looking at them and listening closely;
- give people help when they need it;
- treat my body with respect and
- work with enthusiasm and excellence.

Thank you Glenstone Constructions.
There is still much work to do on the playground over the next three years.

This includes:
- construction of 2 chicken coops for the students which will support our recycling plans for the school. This is scheduled for completion by the end of the year – with approval from the NRMA.
- construction of the new sandpit in front of the science and activity room. To be completed as soon as funds are available.

We hope to have some clever mums and dads helping out with the assembly of the coops and fencing.

- a sun shade to cover the new sand pit.
- the building of a sand pit on the oval that can be used by the older students and for long jump.
- the construction of shop stands for play. These will be located in the area where the seats are under the trees.

The 2016 school plan will note arrangements for the provision of:
- a sun shade to cover the new sand pit.
- the building of a sand pit on the oval that can be used by the older students and for long jump.
- the construction of shop stands for play. These will be located in the area where the seats are under the trees.

In 2017 the plan is to:
- move on to Stage 2 of the new play area. This includes the addition of activities such as musical instruments, a sensory board, tick tac toe, noughts and crosses etc.

Some ideas are:
To be discussed are sun shades to cover the equipment and sand pit on the oval.

Thank you to the parents who responded to our request to organise payments. Your thoughtfulness is greatly appreciated.

Payments received are to be directed to the construction of the new sandpit for the children.

If you are experiencing difficulties meeting financial commitments please come and talk to Deb or myself. If you feel more comfortable talking to a member of staff please do so. Any information we receive is regarded as confidential.

**JACKEROO RANCH HORSE RIDING**

**SPRI**

**NG SCHOOL HOLIDAY RIDING CAMPS**

Jackeroo Ranch (est. 54 years)
Recently relocated to Bingletree Station at Upper Turon, is again running Spring Vacation.

1st Week: Sat. 19th Sept. – Sat. 26th Sept.

**Shorter stays are possible if camps are not fully booked.**

These camps are for “horse mad” children aged 5 to 15. Five to six hours per day are devoted to horse activities including a 1 hour lesson and a 3 hours trail ride (minimum 3 hours riding per day with lessons during each ride) in the beautiful Turon Valley with tuition still being given. As well, campers are taught grooming, saddling, haltering, and catching a horse, safety aspects and many other facets of horsemanship.

Previous experience is not necessary as beginners to advanced riders are catered for, we specialise in teaching nervous riders and developing their confidence.

Other activities include gold panning, cattle feeding/checking, cattle mustering, camp fires and native wildlife spotting. The property abounds with Wallabies, wombats, wonderful bird life as well as being a working cattle farm and Quarter Horse Stud.

There are Poll Hereford calves and Quarter Horse foals now being born.

*This is not just a camp!!
It is a wonderful farm experience
Your child will treasure forever.*
